Re: Long Lake Rowing and Paddling Centre

To Whom It May Concern:

Please accept this letter as Canoe Kayak BC's support of the Long Lake Rowing and Paddling Centre. Nanaimo Canoe and Kayak has been a long standing partner with Canoe Kayak BC and has historically offered numerous program and racing opportunities for athletes in Nanaimo and all of Vancouver Island. Nanaimo endeavors to upgrade their facilities to be more inclusive and accessible for paddling opportunities, for sport tourism, a year round training space for local and island athletes, as well as a place to store equipment. NCKC has and continues to be a leader within our Province hosting and being an upstanding member of the canoe and kayak community in multiple disciplines.

CKBC would like to extend its support of this project in hopes of developing the sport further in Nanaimo and making this a permanent fixture on our yearly event schedule.

If you would like any further information please do not hesitate to contact me directly at the number below.
