Dear Ashley,

I write this on behalf of the West Coast Radio Sailing Club ((WCRS) in support of the development of the Loudon Park facilities and especially the Long Lake Rowing and Paddling Centre building.

The WCRS is an active user of the Loudon Park facilities, especially the 'Fishing' Dock for our weekly club radio sailing, and rely on the boat storage area to secure our rescue dinghy and equipment, and for access to the public washrooms.

Sincerely

John Ball
